Play golf for \$5 or less!

Youth ages 6-18 may join Youth on Course. YOC members can play hundreds of courses throughout the country for \$5 or less!

- You must go to YouthonCourse.org and sign up
- After you receive your membership card, you may call to book a tee time. Inform the pro shop staff that you are a YOC member and let them know how many players are coming as well as how many holes you will play.
- YOC membership is good for golf ONLY. Range balls and golf car rental are not included.
- Youths 14 and younger must have an adult playing with them (15-18 year olds may play by themselves).
- YOC members may play anytime on weekdays, after 2:00 p.m. on weekends and holidays.
- The availability of the course is subject to times or events already booked.
