

Dewsweeper Rates

“Dewsweeper” to us means playing very early in the morning at a reduced rate.

Our **“Dewsweeper”** program is:

- 9 holes only, on the opposite side of regular play.
- Tee times are restricted to the first 5 each morning.
- Play will be sent out before the opposite side before greens are mowed.
- Tee times are available but anything less than a foursome will have the possibility of having other players added to the group.
- Rates are available starting April 1st through September.
- Pace of play is no more than 2 hours per round.

Adult Weekday:	9 holes/walking \$12.00	9 holes/riding \$20.00
Adult Weekend:	9 holes/walking \$15.00	9 holes/riding \$23.00
Junior Weekday:	9 holes/walking \$10.00	9 holes/riding \$15.00
Junior Weekend:	9 holes/walking \$13.00	9 holes/riding \$18.00

We'd like to encourage “Parent/Child” play. If a parent or grandparent brings a junior out to play in this program the adult will pay the regular fee, the junior fee is **\$6.00** to play walking, **\$9.00** to play and ride a golf car. By our definition a “Junior” is 18 years or younger and has not graduated from high school.

all fees will have tax added
